

A man with dark hair, wearing a white t-shirt under a light green and white vertically striped short-sleeved button-down shirt, is looking down at a plate of food on a table. He has a surprised or excited expression on his face. The table is set with a white plate of food, two wine glasses, a basket of bread, and a bottle of water. A woman in a yellow shirt is partially visible on the right side of the frame, her arm reaching towards the table. The background is a plain, light-colored wall.

Create

good food mood
moments

yes!

Intimate dinners, big parties, fine dining and on the go. Long breakfasts, quick snacks or ten-course dinners. Weddings, birthdays, and seasonal feasts. Wherever there is good food mood, we provide the accessories.

Let's discover the 2024 assortment and set the scene for memories to last.

Designed for a *sustainable future*

We are thrilled to introduce our new Bio Dunisoft® napkins, now available in design. Featuring fully renewable, plastic and fossil-free ingredients, the Bio Dunisoft® napkins are here to stay.

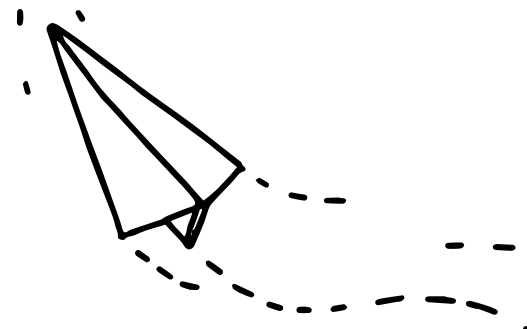

The unique binding material (the “glue” that holds the tissue together) is made from organic waste, giving the material its bio-label. Make a switch and be part of the change.

The future looks vibrant

Experience a vibrant and more sustainable dining experience with our colourful Bio Dunisoft® premium napkins, featuring fully renewable, plastic and fossil-free ingredients. All unicoloured Bio Dunisoft® are now OK Home Compost certified.

Let your napkins ignite good food mood and explore the limitless possibilities of creating a sustainable and enjoyable dining experience. Together, we can make the future look brighter and more vibrant whilst also caring for our planet.

CONFIDENCE-INSPIRING CERTIFICATIONS

The products in our collection carry a variety of environmental and quality certifications. They underline the sustainability and quality of our products. Some also shed light on how to dispose of them in a responsible way after use.

OK COMPOST

The OK Compost Industrial and the OK Compost Home label, from the certification body TÜV Austria, indicates that the product is suitable for composting. As the name suggests, OK Compost Industrial ensures the product is suitable for industrial composting. OK Compost HOME products can be put on the compost heap in your garden at home and meets the European standard EN 13432.

THE FOREST STEWARDSHIP COUNCIL® (FSC)

Ensures that the product is made of wood from forests managed in an environmentally appropriate, socially beneficial and economically viable manner.

NORDIC SWAN ECOLABEL

Identifies the best products on the market from an environmental point of view. For instance, it confirms our stearin candles consist of 90% renewable materials and minimise soot emissions.

THE RAL QUALITY MARK

Awarded by the European Quality Association for Candles. It guarantees the candle burns cleanly, contains no hazardous materials, retains its shape and is safe and reliable.

Brighter days ahead

Introducing our new cordless LED lamps, Zelda and Nour. Discover the perfect blend of design, functionality, and sustainable lighting. Upgrade your space with our cordless LED lamps and let each day shine a little brighter.

Duni ♥ colour

Colours have a special place in our hearts and we believe it has the power to transform everyday moments into extraordinary experiences. Back in the 50's, Duni pioneered the introduction of coloured napkins, revolutionising the industry. Since then, our passion for colour and design has only deepened and expanded.

Every year, we unveil new seasonal designs that are embraced by people all around the globe. And so the tradition continues.
